EMPLOYMENT OPPORTUNITY (RESEARCH ASISTANTS) 3 POSITIONS

Background

C.O.U Bwindi Community Hospital (BCH) is Church of Uganda owned, Missionary-founded Private Not-For Profit (PNFP) Hospital under the Diocese of Kinkiizi. Located in Buhoma Town Council, Bwindi, Kanungu District, South Western Uganda, it is categorized as a General Hospital, but operates as a referral hospital.

C.O.U Bwindi Community Hospital (BCH) is a leading healthcare institution in rural Uganda, providing essential medical services to the community. BCH is committed to improving public health through innovative programs, including mobile health (mHealth) initiatives and public health surveillance. The Bwindi mHealth initiative aims to enhance digital data collection and healthcare delivery, particularly in remote areas.

We are glad to announce that we are starting a new project called '**The Pandemic Fund / mHealth Project**' which aims at developing technologies that focus on leveraging mobile technology to strengthen public health surveillance and early detection of zoonotic diseases within the community. The Bwindi Human Surveillance Hub plays a crucial role in monitoring health risks, ensuring rapid response, and training health workers on mHealth applications. **The Hospital seeks to recruit suitably qualified persons to fill the position of Research assistants (3)**

Essential Responsibilities

The Research Assistants will execute both project-specific research activities and clinical support duties, operating at all times under the direct supervision of the Project Coordinator and/or Senior Clinical Staff.

Person Specifications:

1. Must have a Diploma and Registration Certificate in Clinical medicine and community health or Diploma in nursing or diploma in medical laboratory techniques from a recognized institution.
2. Should have experience in conducting research that involves human samples of at least 1 year
3. Must have a valid practicing License.
4. Available and willing to travel and work in hard-to-reach areas, occasionally under strenuous conditions.
5. Ability to ride a motorcycle with valid riding permit.
6. Ability to uphold hospital and her training wings core values
7. National ID and recommendation from local council authority or religious leader
